Homework Assignment #1 – (25 Points)

- Create android starter app to do the following
    1. Display a text label with the word "Hello App World"
    2. Display a button on the screen with a text "Action"
    3. Try to see if you can change the background color of the screen when you click on the button
    4. Add any other controls that are available in the android studio IDE

- **NOTES:** The Android Starter App is due on **Sunday Sept 6, 2021 at midnight**.
